LIFT OUT LOUD is a very popular bi-monthly screenplay reading series that is run entirely by volunteer members of the Liaison of Independent Filmmakers of Toronto (LIFT). It provides a forum for LIFT screenwriters to hear their script read aloud by professional actors and receive feedback by an audience of fellow writers, actors and filmmakers. Each session is moderated by an industry professional.

The **Liaison of Independent Filmmakers of Toronto (LIFT)** is an artist-run production and educational media arts organization dedicated to celebrating excellence in the moving image. LIFT exists to provide support and encouragement for independent filmmakers and artists through affordable access to production, post-production and exhibition equipment; professional and creative development; workshops and courses; commissioning and exhibitions; artist-residencies; and a variety of other services. Founded in 1981 by a small collective, LIFT has since grown to become one of the foremost centres of its kind globally.
